Digital image database for free download

Dear ladies and gentlemen,

you can download any image from this **image catalogue** with the **click of the mouse** for free.

Following **registration**, you can choose from **three image qualities**:

1. Original (high resolution)
2. Internet compatible (approx. 900 x 600 px)
3. HD (approx. 1920 x 1080 px)

Simply click on the desired photo linked to the website and download.

Please note: Use of the images from our online databank is **permitted solely in the context of** an article about the Region **Kitzbüheler Alpen**. Image use is always associated with the region **Kitzbüchel Alps and Tourism**. Commercial use for profit is strictly prohibited!

Please **observe our** copyrights! The author of the image must be cited in every publication without exception.

We will be glad to help you personally. Please get in touch with us.

Yours sincerely
Kitzbüheler Alpen Service Team
